

My head just feels in pain
I missed the bus and there'll be hell today
I'm late for work again
And even if I'm there, they'll all imply
That I might not last the day
And then you call me and it's not so bad
It's not so bad

And I want to thank you
For giving me the best day of my life
Oh just to be with you is having
The best day of my life?

Push the door
I'm home at last
And I'm soaking through and through
Then you handed me a towel
And all I see is you
And even if my house falls down now
I wouldn't have a clue
Because you're near me

And I want to thank you
For giving me the best day of my life
Oh just to be with you is having
The best day of my life

2. Butterfly Kisses

Bob Carlisle

There's two things I know for sure
She was sent here from heaven
And she's daddy's little girl
As I drop to my knees by her bed at night
She talks to Jesus, and I close my eyes
And I thank God for all the joy in my life
Oh, but most of all, for...

Butterfly kisses after bedtime prayer

Stickin' little white flowers all up in her hair
"Walk beside the pony, daddy, it's my first ride."
"I know the cake looks funny, daddy, but I sure tried."
Oh, with all that I've done wrong
I must have done something right
To deserve a hug every morning
And butterfly kisses at night

Sweet sixteen today
She's looking like her momma a little more every day
One part woman, the other part girl
To perfume and makeup, from ribbons and curls
Trying her wings out in a great big world
But I remember...

Butterfly kisses after bedtime prayer
Stickin' little white flowers all up in her hair
"You know how much I love you, daddy, but if you don't mind
I'm only going to kiss you on the cheek this time."
Oh, with all that I've done wrong
I must have done something right
To deserve her love every morning
And butterfly kisses at night

All the precious time
Like the wind, the years go by
Precious butterfly
Spread your wings and fly

She'll change her name today
She'll make a promise and I'll give her away
Standing in the bride room just staring at her
She asked me what I'm thinking
And I said, "I'm not sure
I just feel like I'm losing my baby girl."
Then she leaned over, and gave me...
Butterfly kisses, with her mama there
Sticking little flowers all up in her hair
"Walk me down the aisle, daddy, it's just about time."

"Does my wedding gown look pretty, daddy?"
"Daddy, don't cry."
Oh, with all that I've done wrong
I must have done something right
To deserve her love every morning, and butterfly kisses

I couldn't ask God for more
Man, this is what love is
I know I've gotta let her go
But I'll always remember
Every hug in the morning, and butterfly kisses...

3. Make Your Own Kind Of Music

Mama Cass Elliot

Nobody can tell ya
There's only one song worth singing
They may try and sell ya
Cause it hangs them up to see someone like you

But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

You're gonna be nowhere
The loneliest kind of lonely
It may be rough going
Just to do your thing's the hardest thing to do

But you've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

So if you cannot take my hand
And if you must be going
I will understand

You've gotta make your own kind of music
Sing your own special song
Make your own kind of music
Even if nobody else sings along

You've gotta make your own kind of music
Sing your own special song
Make your own kind of music

4. When a Man Loves a Woman

Michael Bolton

When a man loves a woman
Can't keep his mind on nothing else
He'd trade the world
For a good thing he's found
If she is bad, he can't see it
She can do no wrong
Turn his back on his best friend
If he puts her down

When a man loves a woman
Spend his very last dime
Trying to hold on to what he needs
He'd give up all his comforts
And sleep out in the rain
If she said that's the way
It ought to be

When a man loves a woman
I give you everything I've got
Trying to hold on
To your precious love
Baby please don't treat me bad

When a man loves a woman
Deep down in his soul
She can bring him such misery
If she is playing him for a fool

He's the last one to know
Loving eyes can never see

Yes! When a man loves a woman
I know exactly how he feels
Oh, He gave up everything he's got
When a man loves a woman
Can't keep his mind on nothing else
That's the way it gonna be
When a man loves a woman
When a man loves a woman
When a man loves a woman
when a man loves a woman . . .

5. Can You Feel the Love Tonight

Elton John

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment, and it sees me through
It's enough for this restless warrior just to be with you

And can you feel the love tonight
It is where we are
It's enough for this wide-eyed wanderer
That we got this far
And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

There's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours

And can you feel the love tonight
It is where we are
It's enough for this wide-eyed wanderer

That we got this far
And can you feel the love tonight
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very best

It's enough to make kings and vagabonds
Believe the very best

6. Sailing

Rod Steward

I am sailing, I am sailing
Home again, cross the sea
I am sailing, stormy waters
To be near you, to be free

I am flying, I am flying
Like a bird, cross the sky
I am flying, passing high clouds
To be near you, to be free

Can you hear me? Can you hear me?
Through the dark night far away
I am dying, forever crying
To be with you, who can say?

Can you hear me? Can you hear me?
Through the dark night far away
I am dying, forever crying
To be with you, who can say?

We are sailing, we are sailing
Home again, cross the sea
We are sailing, salty waters
To be near you, to be free

Oh, Lord
To be near you, to be free

Oh, Lord
To be near you, to be free
Oh, Lord
To be near you, to be free

7. Tie A Yellow Ribbon Round The Ole Oak Tree

Tony Orlando

I'm coming home I've done my time
Now I've got to know what is and isn't mine
If you received my letter telling you I'd soon be free
Then you'll know just what to do if you still want me
If you still want me

Oh tie a yellow ribbon round the ole oak tree
It's been three long years do you still want me
If I don't see a ribbon round the ole oak tree
I'll stay on the bus forget about us put the blame on me
If I don't see a yellow ribbon round the ole oak tree

Bus driver please look for me
'Cause I couldn't bear to see what I might see
I'm really still in prison and my love she holds the key
A simple yellow ribbon's what I need to set me free
I wrote and told her please

Oh tie a yellow ribbon round the ole oak tree
It's been three long years do you still want me
If I don't see a ribbon round the ole oak tree
I'll stay on the bus forget about us put the blame on me
If I don't see a yellow ribbon round the ole oak tree

Now the whole damn bus is cheering
And I can't believe I see
A hundred yellow ribbons round the ole oak tree
I'm coming home

8. The One You Love

Glenn Frey

I know you need a friend

Someone you can talk to
Who will understand what you're going through
When it comes to love
There's no easy answer
Only you can say what you're gonna do

I heard you on the phone, you took his number
Said you weren't alone, but you'd call him soon
Isn't he the guy, the guy who left you cryin'?
Isn't he the one who made you blue
When you remember those nights in his arms
You know you've gotta make up your mind

Are you gonna stay with the one who loves you
Or are you going back to the one you love
Someone's gonna cry when they learn they've lost you
Someone's gonna thank the stars above

What you gonna say when he comes over
There's no easy way to see this through
All the broken dreams all the disappointments
Oh girl! What you gonna do
Your heart keeps sayin' it's just not fair
But still you've gotta make up your mind
Are you gonna stay with the one who loves you
Or are you going back to the one you love
Someone's gonna cry when they learn they've lost you
Someone's gonna thank the stars above

9. Lemon tree

Fool's Garden

I'm sitting here in a boring room
It's just another rainy sunday afternoon
I'm wasting my time
I got nothing to do
I'm hanging around
And I'm waiting for you
But nothing have happened and I wonder

I'm driving around in my car
I'm driving too fast
And I'm driving too far
I'd like to change my point of view
I feel so lonely
I'm waiting for you
But nothing ever happens and I wonder

I wonder how, I wonder why
Yesterday you tell me about the blue blue sky
And all that I can see
It's just a yellow lemon tree
I'm turning my head up and down
I'm turning, turning, turning, turning, turning around
And all that I can see
It's just another lemon tree

I'm sitting here I miss the power
I'd like to go out taking a shower
But there's a heavy cloud inside my head
I feel so tired
I put myself into bed
But nothing ever happens and I wonder

Isolation, it's not good for me
Isolation, I don't want to sit on a lemon tree
I'm stepping around in the desert of joy
Baby, anyhow I get another toy
And everything will happen and you wonder

I wonder how, I wonder why
Yesterday you told me about the blue blue sky
And all that I can see
It's just a yellow lemon tree
I'm turning my head up and down
I'm turning, turning, turning, turning, turning around
And all that I can see
It's just yellow lemon tree
I wonder, wonder, I wonder how, I wonder why

Yesterday you told me about the blue blue sky
And all that I can see
And all that I can see
And all that I can see
It's just a yellow lemon tree

10. Breathless

Shayne Ward

If our love was a fairy tale
I would charge in and rescue you
On a yacht baby we would sail
To an island where we'd say I do
And if we had babies they would look like you
It'd be so beautiful if that came true
You don't even know how very special you are

You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine
You just walked out of one of my dreams
So beautiful you're leaving me
Breathless

And if our love was a story book
We would meet on the very first page
The last chapter would be about
How I'm thankful for the life we've made

And if we had babies they would have your eyes
I would fall deeper watching you give life
You don't even know how very special you are

You leave me breathless
You're everything good in my life
You leave me breathless
I still can't believe that you're mine
You just walked out of one of my dreams

So beautiful you're leaving me

You must have been sent from heaven to earth to change me

You're like an angel

The thing that I feel is stronger than love

Believe me

You're something special

I only hope that I'll one day deserve what you've given me

But all I can do is try

Every day of my life

You leave me breathless

You're everything good in my life

You leave me breathless

I still can't believe that you're mine

You just walked out of one of my dreams

So beautiful you're leaving me

Breathless

You're everything good in my life

You leave me breathless

I still can't believe that you're mine

You just walked out of one of my dreams

So beautiful you're leaving me

Breathless

11. Forever And For Always

Shania Twain

In your arms

I can still feel the way you want me

When you hold me

I can still hear the words you whispered

When you told me

I can stay right here forever in your arms

And there ain't no way

I'm lettin' you go now

And there ain't no way

And there ain't no how

I'll never see that day...

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning to your sweet face- always
Always...
Mmmm... baby

In your heart
I can still hear a beat for every time you kiss me
And when we're apart
I know how much you miss me
I can feel your love for me in your heart

And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how
I'll never see that day...

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning to your sweet face- always
Always...
(I wanna wake up every morning)

In your eyes
(I can still see the look of the one)
I can still see the look of the one who really loves me
(I can still feel the way that you want)
The one who wouldn't put anything else in the world above me
(I can still see love for me)
I can still see love for me in your eyes
(I still see the love)

And there ain't no way
I'm lettin' you go now
And there ain't no way
And there ain't no how

I'll never see that day. . .

'Cause I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning to your sweet face

I'm keeping you forever and for always
We will be together all of our days
Wanna wake up every morning to your sweet face
I'm keeping you forever and for always
Forever. . .
In your arms

12. Don't Know Much

Linda Ronstadt & Aaron Neville

Look at this face
I know the years are showing
Look at this life
I still don't know where it's going
I don't know much
But I know I love you
And that may be
All I need to know

Look at these eyes
They never seen what mattered
Look at these dreams
So beaten and so battered, hoooooh

I don't know much
But I know I love you
And that may be
All I need to know

So many questions
Still left unanswered
So much
I've never broken through

And when I feel you near me
Sometimes I see so clearly
The only truth I've ever known
Is me and you

Look at this man
So blessed with inspiration
Look at this soul
Still searching for salvation

I don't know much
But I know I love you
That may be
All I need to know

I don't know much
But I know I love you
That may be
All there is to know
Whoaohohohah

13. Better Boyzone

Our love has changed
It's not the same
And the only way to say it
is say it...it's better

I can't conceal
This way I feel
For all the times we spend together
Forever just gets better

See what I'm try to say is
You make things better
And no matter what the day is
With you here it's better

I'll stand by you
If you stand by me
I think it's time that I reveal it
Cause I believe it
It's better

See what I'm try to say is
You make things better
And no matter what the day is
If you're here it's better
Ooh the more I talk to you
I fall in love with everything you do

Oooh. .
See what I'm try to say is
You make things better
And no matter what the day is
With you here it's better

Our love has changed
It's not the same
And the only way to say it
is say it. . it's better

14. Pass the Flame

Yiannis Kotsiras

Pass the Flame
Unite the World
It's time to celebrate let our voices be heard
Pass the Flame
Unite the world
Bring us all together
We can grow a forest
On a dried up river bed
We can build a mountain
From a grain of sand
Reach out, hold out your hands
Reach out, hold out your hands

Pass the Flame
Unite the World
It's time to celebrate let our voices be heard
Pass the Flame
Unite the world
Bring us all together
Pass the Flame
Unite the World
...
Reach out, hold out your hands
Reach out, hold out your hands
Pass the Flame
Unite the world
Pass the Flame
Unite the World
...

15. Never Underestimate A Girl

Vanessa Hudgens

It takes a girl to understand
Just how to win
She knows... she can
I think it's clear
Who wears the pants
What boy... could stand... a chance

She makes it look easy
In control completely
She'll get the best of you... every single... time
Thought by now you'd realize you should

Never underestimate a girl
Gets anything she wants
She's never gonna stop
(you know it... we know it)
Never underestimate a girl
She's always got a plan
The world is in her hands

She got the lipstick
Puts it together
Boys have it good
But girls have it better... (watch out)
Your secretary might
End up your boss
Whether you... really like it... or not

She makes it look easy
In control completely
She'll get the best of you... every single... time
That's right... no no no you should

Never underestimate a girl
Gets anything she wants
She's never gonna stop
Never underestimate a girl
She's always got a plan
The world is in her hands

She might be the president
Make all the rules
Don't try to win the game
You're only gonna lose
Now girls you know we got it
Got it goin on
We've been tryin' to tell them all along

Listen up guys
Take a little sound advice
That's right
Hey... come on now...
Oh oh, oh oh No no

Never underestimate a girl
Gets anything she wants
She's never gonna stop
Never underestimate a girl
She's always got a plan

The world is in her hands

Never underestimate a girl
Gets anything she wants
She's never gonna stop
Never underestimate a girl
She's always got a plan
The world is in her hands

16. Proud of You

Fiona Fung

Love in your eyes
Sitting silent by my side
Going on, holding hands
Walking through the nights
Hold me up, hold me tight
Lift me up to touch the sky
Teaching me to love with heart
Helping me to open my mind
I can fly
I'm proud that I can fly
To give the best of mine
Till the end of the time
Believe me I can fly
I'm proud that I can fly
To give the best of mine
The heaven in the sky

Stars in the sky
Wishing once upon a time
Give me love, make me smile
Till the end of life
Hold me up, hold me tight
Lift me up to touch the sky
Teaching me to love with heart
Helping me open my mind
I can fly
I'm proud that I can fly

To give the best of mine
Till the end of the time
Believe me I can fly
I'm proud that I can fly
To give the best of mine
The heaven in the sky

Can't you believe that you light up my way
No matter how that ease my path
I'll never lose my faith
See me fly
I'm proud to fly up high
Show you the best of mine
Till the end of the time
Believe me I can fly
I'm singing in the sky
Show you the best of mine
The heaven in the sky
Nothing can stop me
Spread my wings so wide

17. I Just Call to Say I Love You

Stevie Wonder

No New Year's Day to celebrate
No chocolate covered candy hearts to give away
No first of spring
No song to sing
In fact here's just another ordinary day

No April rain
No flowers bloom
No wedding Saturday within the month of June
But what it is
Is something true
Made up of these three words that I must say to you

I just called to say I love you
I just called to say how much I care

I just called to say I love you
And I mean it from the bottom of my heart

No summer's high
No warm July
No harvest moon to light one tender August night
No autumn breeze
No falling leaves
Not even time for birds to fly to southern skies

No Libra sun
No Halloween
No giving thanks to all the Christmas joy you bring
But what it is
Though old so new
To fill your heart like no three words could ever do

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart
Of my heart
Of my heart

18. Right Here Waiting

Richard Marx

Oceans apart day after day
And I slowly go insane
I hear your voice on the line
But it doesn't stop the pain
If I see you next to never
How can we say forever

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I took for granted all the times
That I thought would last somehow
I hear the laughter, I taste the tears
But I can't get near you now
Oh, can't you see it baby
You've got me goin' crazy

Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

I wonder how we can survive
This romance
But in the end if I'm with you
I'll take the chance

Oh, can't you see it baby
You've got me goin' crazy
Wherever you go
Whatever you do
I will be right here waiting for you
Whatever it takes
Or how my heart breaks
I will be right here waiting for you

19. Shalala Lala
Vengaboys

There's a boy on my mind and he knows

I'm thinking of him
On my way through the day and the night
The stars shine above me
He's been gone for some time but I know
I truly love him
And I'm singing a song hoping he'll be back
When he hears it

My heart goes sha la la la la
Sha la la in the morning
Sha la la la la
Sha la la in the sunshine
Sha la la la la
Sha la la in the evening
Sha la la la la
Sha la la la la just for you

If your love's gone away just like mine
You'll feel like crying
Sing along maybe once maybe twice
Let's try it together
Some sweet day no one knows you'll return
And you'll be happy
Shout it sweet in a song listen to your heart
It is singing

My heart goes sha la la la la
Sha la la in the morning
Sha la la la la
Sha la la in the sunshine
Sha la la la la
Sha la la in the evening
Sha la la la la
Sha la la la la just for you

If your love's gone away just like mine
You'll feel like crying
Sing along maybe once maybe twice
Let's try it together

Some sweet day no one knows you'll return
And you'll be happy
Shout it sweet in a song listen to your heart
It is singing

My heart goes sha la la la la
Sha la la in the morning
Sha la la la la
Sha la la in the sunshine
Sha la la la la
Sha la la in the evening
Sha la la la la
Sha la la la la just for you

20. Take My Breath Away

Berlin

Watching every motion in my foolish lover's game
On this endless ocean finally lovers know no shame
Turning and returning to some secret place inside
Watching in slow motion as you turn around and say

Take my breath away
Take my breath away

Watching I keep waiting still anticipating love
Never hesitating to become the fated ones
Turning and returning to some secret place to inside
Watching in slow motion as you turn to me and say

My love
Take my breath away

Through the hourglass I saw you in time you slipped away
When the mirror crashed I called you and turned to hear you say
If only for today I am unafraid

Take my breath away
Take my breath away

Watching every motion in this foolish lover's game
Haunted by the notion somewhere there's a love in flames
Turning and returning to some secret place inside
Watching in slow motion as you turn my way and say

Take my breath away
My love, take my breath away

21. The Sound of Silence

Simon & Garfunkel

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain
Still remains
Within the sound of silence
In restless dreams I walk alone
Narrow streets of cobble stone
Beneath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbled by the flash of a neon light
That split the night
And touched the sound of silence

And in the naked night I saw
Ten thousand people may be more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dare
Disturb the sound of silence

"Fools" said I "you do not know
Silence like a cancer grows"
Hear my words that I might teach you
Take my arms that I might reach you
But my words like silent rain-drops fell

And echoed in the wells of silence

And the people bowed and prayed
To the neon God they made
And the sign flashed out its warning
In the words that it was forming
And the sign said "The words of the prophets are
Written on the subway walls and tenement halls"
And whispered in the sounds of silence

22. Rhythm of The Rain

Cascades

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain
And let me be alone again

The only girl I care about has gone away
Looking for a brandnew start
But little does she know that when she left that day
Along with her she took my heart

Rain, please tell me now
Does that seem fair for her to steal my heart away when she don't care?
I can't love another when my heart's somewhere far away

The only girl I care about has gone away
Looking for a brandnew start
But little does she know that when she left that day
Along with her she took my heart

Rain, won't you tell her that I love her so?
Please ask the sun to set her heart aglow
Rain in her heart and let the love we knew start to grow

Listen to the rhythm of the falling rain
Telling me just what a fool I've been
I wish that it would go and let me cry in vain

And let me be alone again
Oh, listen to the falling rain... pitter... patter...
Oh, listen to the falling rain... pitter... patter...

23. God Is A Girl Groove Coverage

Remembering me
Discover and see
All over the world
She's known as a girl
To those who are free
The mind shall be key
Forgotten as the past
'Cause history will last

God is a girl
Wherever you are
Do you believe it, can you recieve it?
God is a girl
Whatever you say
Do you believe it, can you recieve it?
God is a girl
However you live
Do you believe it, can you recieve it?
God is a girl
She's only a girl
Do you believe it, can you recieve it?

She wants to shine
Forever in time
She is so driven, she's always mine
Cleanly and free,
She wants you to be
A part of the future,
A girl like me
There is a sky,
Illuminating us, someone is out there
That we truly trust

There is a rainbow for you and me
A beautiful sunrise eternally

God is a girl
Wherever you are
Do you believe it, can you recieve it?
God is a girl
Whatever you say
Do you believe it, can you recieve it?

Whatever you say
Do you believe it, can you recieve it?

However you live
Do you believe it, can you recieve it?
God is a girl
She's only a girl
Do you believe it, can you recieve it?

God is a girl.

24. Everything I Do I Do It for You

Bryan Adams

Look into my eyes - you will see
What you mean to me
Search your heart - search your soul
And when you find me there you'll search no more
Don't tell me it's not worth tryin' for

You can't tell me it's not worth dyin' for
You know it's true
Everything I do - I do it for you

Look into your heart - you will find
There's nothin' there to hide
Take me as I am - take my life
I would give it all - I would sacrifice
Don't tell me it's not worth fightin' for
I can't help it - there's nothin' I want more
You know it's true
Everything I do - I do it for you

There's no love - like your love
And no other - could give more love
There's nowhere - unless you're there
All the time - all the way

Oh - you can't tell me it's not worth tryin' for
I can't help it - there's nothin' I want more
I would fight for you - I'd die for you
Walk the wire for you - ya I'd die for you
You know it's true
Everything I do - I do it for you
...

25. Big Big World

Emilia

I'm a big big girl
In a big big world
It's not a big big thing if you leave me
But I do do feel
That I do do will miss you much
Miss you much...

I can see the first leaf falling
It's all yellow and nice'
It's so very cold outside

Like the way I'm feeling inside

I'm a big big girl
In a big big world
It's not a big big thing if you leave me
But I do do feel
That I do do will miss you much
Miss you much. . .

Outside it's now raining
And tears are falling from my eyes
Why did it have to happen
Why did it all have to end

I'm a big big girl
In a big big world
It's not a big big thing if you leave me
But I do do feel
That I do do will miss you much
Miss you much. . .

I have your arms around me
Warm like fire
But when I open my eyes
You're gone. . .

I'm a big big girl
In a big big world
It's not a big big thing if you leave me
But I do do feel
That I do do will miss you much
Miss you much. . .

I'm a big big girl
In a big big world
It's not a big big thing if you leave me
But I do feel I will miss you much
Miss you much. . .

26. Memories
Within Temptation

In this world you tried
Not leaving me alone behind
There's no other way
I'll pray to the Gods let him stay
The memories ease the pain inside
Now I know why

All of my memories keep you near
In silent moments I imagine you'd be here
All of my memories keep you near
The silent whispers the silent tears

Made me promise I'd try
To find my way back in this life
I hope there is a way
To give me a sign you're okay
Reminds me again
It's worth it all
So I can go home

All of my memories keep you near
In silent moments I imagine you'd be here
All of my memories keep you near
The silent whispers the silent tears

Together in all these memories
I see your smile
All the memories I hold dear
Darling you know I love you till the end of time

All of my memories keep you near
In silent moments I imagine you'd be here
All of my memories keep you near
The silent whispers the silent tears

27. Memory
Sarah Brightman

Midnight, not a sound from the pavement
Has the moon lost her memory
She is smiling alone
In the lamplight
The withered leaves collect at my feet
And the wind begins to moan

Memory, all alone in the moonlight
I can smile at the old days
I was beautiful then
I remember
The time I knew what happiness was
Let the memory live again

Every street lamp
Seems to beat
A fatalistic warning
Someone mutters
And a street lamp gutters
And soon it will be morning

Daylight, I must wait for the sunrise
I must think of a new life
And I mustn't give in
When the dawn comes
Tonight will be a memory too
And a new day will begin

Burnt out ends of smoky days
The stale cold smell of morning
The street lamp dies
Another night is over
Another day is dawning

Touch me, it's so easy to leave me

All alone with my memory
Of my days in the sun
If you touch me
You'll understand what happiness is
Look a new day has begun.

28. Five Hundred Miles

The Brothers Four

If you miss the train I'm on,
You will know that I am gone
You can hear the whistle blow a hundred miles
A hundred miles, a hundred miles
A hundred miles, a hundred miles
You can hear the whistle blow a hundred miles

Lord, I'm one, Lord, I'm two, Lord,
I'm three, Lord, I'm four, Lord,
I'm five hundred miles a way from home
Away from home, away from home
Away from home, away from home
Lord, I'm five hundred miles away from home

Not a shirt on my back
Not a penny to my name
Lord, I can't go a-home this-a way
This-a way, this-a way,
This-a way, this-a way,
Lord, I can't go a-home this-a way

If you miss the train I'm on,
You will know that I am gone
You can hear the whistle blow a hundred miles
You can hear the whistle blow a hundred miles

29. Imagine

John Lennon

Imagine there is no heaven

It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for and no religion too
Imagine all the people living life in peace

You may say I'm a dreamer, but I'm not the only one
I hope someday you'll join us and the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharing all the world

You may say I'm a dreamer, but I'm not the only one
I hope someday you'll join us and the world will live as one

30. Love Me Tender

Elvis Presley

Love me tender, love me sweet
Never let me go
You have made my life complete
And I love you so
Love me tender, love me true
All my dreams fulfilled
For my darling, I love you
And I always will

Love me tender, love me long
Take me to your heart
For it's there that I belong?
And we'll never part

Love me tender, love me true
All my dreams fulfilled
For my darling, I love you
And I always will

Love me tender, love me dear
Tell me you are mine
I'll be yours through all the years?
Till the end of time

Love me tender, love me true
All my dreams fulfilled
For my darling, I love you?
And I always will

Song B

I. Lyrics Translation

我仍记得当我还是一个小孩子的时候

无法理解那些人为什么要以歧视那些与众不同的人为乐

妈妈曾经对我说,当你长大后你要设法使人们意识到

我做的每件事情都是由我自己决定的

你应当为自己而活

我们都是是一样的,没有人应当被责备

大家都应为自己而活

这只是一个游戏,让爱来支配吧

我仍记得我还是小男孩的时候

我目睹了邻居家毁于火灾

眼前的一切化为痛苦和眼泪
 这场景始终在我脑中挥之不去
 我希望我能逃离这里,永远不再回来
 我们大家都需要爱
 我们需要你们真心的帮助
 我想说孩子们都在看着
 我不懂为什么这一切却没有被阻止
 我想说我们身上都流淌着同样的血液啊

我们不再只是活着而是真正开始生活
那爱的感觉将持续下去
爱让我们不断成长
去创造一个更美好的世界
去创造一个更美好的世界

我们心中的梦想
 让我们露出笑脸
 我们曾经信赖的世界
 会再次闪烁祥和的光芒
 那么我们为何仍在扼杀生命
 伤害地球,扼杀它的灵魂
 虽然这很容易明白
 这世界天生就是上帝的荣光
